Subject: Participation in the Work-Colleges Program

Summary: This letter provides information on the “Institutional Application and Agreement for Participation in the Work-Colleges Program” for the 2007-2008 Award Year.

Dear Colleague:

This letter provides information necessary to apply for participation in the Work-Colleges Program for the 2007-2008 Award Year. In order for a school to participate in this program, the school must comply with all provisions of Section 448 of the Higher Education Act of 1965, as amended (HEA), and the applicable program regulations.

Schools must apply electronically via the eCampus-Based (eCB) Web site and submit a printout of that application, signed by the authorized official of the school to the Department of Education (the Department). In addition, a school must follow the same process when it submits its expenditure report for the 2006-2007 Award Year in October 2007. The questions and answers that follow explain the process for both the Work-Colleges application and agreement form and the expenditure report.
